

John Hunter Children's Hospital Christmas Present Wish List

The Children's Hospital depends upon the generosity of our community to bring the joy and magic of Christmas to those in our care. Thanks to you, every child in our care this Christmas will receive a present come Christmas morning. All remaining toys will be distributed throughout the year.

Below is a list of gift ideas we can currently accept. These items have been selected as they are equal in value and many children will be confined to beds or wards, so items they can use straight away are better than those which would stay in the box a bit longer.

All items must be new and within its original packaging.

Thank you for your support and understanding.

Newborns (NICU)

- Muslin wraps (for example 3 pack from Target, Big W or Kmart)
- Come home Ella by Chelsea Davies
